PREVENTION DOLLARS AT WORK
PILOTING A NEW WAY TO MEASURE OUTCOMES

CBCAP COMMON MEASURES

- CBCAP programs began participating in the Common Measures Initiative in FFY2016 (Oct 1, 2015-Sept 30, 2016)
- All CBCAP programs use measure(s) most appropriate for their type of service delivery
  - WSU assists programs in selecting Common Measure(s)
  - Builds off of ECBG Common Measures Initiative

CBCAP Common Measures include:

- Home Observation for Measure of the Environment (HOME)
- Protective Factors Survey (PFS)
- Ages & Stages Questionnaire (ASQ-3)
- Ages & Stages Questionnaire: Social Emotional (ASQ:SE-2)
- Keys to Interactive Parenting Scale (KIPS)

SHABRIE PERICO, MA
Assistant Researcher at the University of Kansas Center for Public Partnerships and Research

CBCAP IS REACHING THOSE MOST AT-RISK

Almost 1/3 are homeless or at risk for homelessness

Almost 65% are single parents

57% are unemployed

30% do not have a High School Diploma

Over 92% of children receive Medicaid

CAREGIVERS

58.5% were found to be living in supportive home environments and 41.5% indicated a need for additional support

CHILDREN

More than 75% of children screened were on-track with their social-emotional development

More than 80% of children screened were identified as being on-track developmentally

Caregivers who displayed high-quality parenting increased from 11% to 45%

Caregivers reporting high levels of social support increased from 70% to 84%

Caregivers reporting high family functioning increased from 55% to 65%

CBCAP PROGRAMS

KANSAS CHILDREN'S SERVICE LEAGUE - comprehensive statewide system that addresses cultural norms around and perceptions of child abuse and neglect

THE ELIZABETH LAYTON CENTER - focuses on healthy attachment for at-risk families through individual therapy, group therapy, and home visiting

THE FAMILY CONSERVANCY - a multi-component parenting education effort offered to the residents of two public housing complexes

THE FAMILY RESOURCE CENTER - case managers accompany law enforcement when they are called to a family's home for suspicion of abuse or neglect

THE WICHITA CRISIS NURSERY - a respite care program that provides quality child care for families facing an emergency

THE PONY EXPRESS PARTNERSHIP FOR CHILDREN FAMILY SUPPORT PROJECT - works with families experiencing or at risk for homelessness
